**Death Over Dinner**

**Date**

**Organization**

**Death Over Dinner**

**Learning Objectives:**

1. Reflect on the meaning and natural aspects of death and dying, and develop better end of life literacy and communication skills.
2. Provide a tool for medical professionals and trainees to process grief and stress resulting from caring for patients at the end of life.
3. Recognize The Pause as a practice to honor patients and the care teams

**Accreditation Statement**

(Institution) designates this live activity for a maximum of 1.5 *AMA PRA Category 1*

*Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.
